

SAMPLE WORDING

Children just love receiving their own mail...especially from someone as magical as Santa!

If you'd like Santa Claus to write your child a letter, he asks that you donate \$10.00 to benefit Tedy's Team and my fundraising for the Boston Marathon. He knows all about the great work the Team does and he is making his list, checking it twice and wants to do something for all those who are nice.

This could also make a great gift for a niece, nephew, cousin or any other child in your life. Best of all, 100% of the proceeds from these letters will help fund research, education, awareness, survivor assistance for stroke and heart disease and fund healthy living initiatives.

Imagine your child's excitement when getting a piece of mail from Santa Claus!

Parents/Guardians: Please note that Santa won't promise the child they will get all the gifts on their list.

Letters will be mailed by December 17th. If your child has not received the letter from Santa by December 21st, please email _____ and a digital copy will be sent as a replacement.

Please place your order no later than December 15th.
