Seeking support as a care partner?

Join the Sanders IMPACT Practice Center and Tedy's Team Center of Excellence in Stroke Recovery for a virtual support group!

About the group:

- Weekly peer support sessions for care partners of stroke-survivors
- Share experiences, challenges, and successes in a welcoming space
- Build community and exchange resources
- Gain practical skills for managing the role and responsibilities of a care partner

Facilitated by:

- Licensed Occupational Therapist
- MGH IHP Nursing faculty and nurse practitioner students

Requirement: Must be a MA resident to participate
